I believe that God calls us to be Good Shepherds and Good Stewards to the flock that He guides and provides and the facilities, members and guests that He calls to us there. I would hope that the church is a place of safety and security by being aware of the need to be

ready and ready as His Word proclaims, for we don't know the day or hour of His return.

Sadly we live in a world of hate, terror & evil acts against His church. Only by being aware of the risk and dangers and having a Plan and Teams to carry-out the Plan can we really be ready for the task of protecting His flock and the assets He has provided for us to use to

serve Him and His people.

It is too late if the attack comes before we are ready and able to have a defense.

\*Keep watch over yourselves and all the flock of which the Holy Spirit has made you overseers. Be shepherds of the flock of God... be on your guard. Acts 20: 28-31
